Dear Extended Teaching Care Volunteer,

Thank you for being a part of our Preschool Ministry here at FBC! Printed on this letter is the ETC schedule for the next couple of months. Please read through it and find your volunteer time or times. **If you are unable to help on your assigned day, please switch with someone else on the schedule or contact one of the below listed substitutes.** Once you have a switch made, please call and let the church office know. For liability reasons, we can not be short staffed! All volunteers must be 13 years of age with one adult, over the age of 18 in each room. You will receive a reminder card in the mail the week before your volunteer time. If you have any questions about the schedule or Preschool Hall policies, please call me at the church office. Thank you again for your time. You bless each of our preschool parents as well as the children when you serve in this ministry.

Blessings,
